

## European Paper Recycling Award 2009

The European paper recycling award 2009 is looking to recognise authorities, organisation or companies who have improved the collection or recycling of paper through projects, R&D, dissemination of information and education.

A jury of independent experts including the European institutions and non governmental organisations will use this information to select the winning project in Europe.

The following criteria will be applied:

1. Relevance and originality of the project	30
2. Achievements	30
3. Possibility to reproduce the project	20
4. Cost effectiveness	20
<b>Maximum total score</b>	<b>100</b>

Deadline  
for entry is  
Friday 31  
July 2009

The Jury may decide to award one or several projects in one or several categories.

Please note that only fully completed form, typed or clearly printed in English will be accepted. Short listed candidates may be asked to provide additional supporting material in September 2009.

Once completed, please return your application by Friday 31 July 2009 to ERPC at the following email address: [ERPC@CEPI.ORG](mailto:ERPC@CEPI.ORG). You may follow-up the process at <http://www.paperrecovery.eu/>.

For transparency reasons, please note that by submitting this form, you allow ERPA to publish your application in any form and medium including via the internet.

Please tick this box if you do not want your entire contact details to be published.

### 1. General Project Details:
